# The SCAC

The Southern Collegiate Athletic Conference (SCAC) was founded and began operation in September 1962 as the College Athletic Conference (CAC) with four charter members of Centre College, Southwestern at Memphis (now known as Rhodes College), Sewanee: The University of the South, and Washington & Lee University of Lexington, Virginia. Later in 1962, Washington University in St. Louis, Missouri, became the fifth member.

Membership remained unchanged until 1972 when Washington University in St. Louis left. Washington & Lee University also left the conference in 1973. Principia College of Elmhurst, Illinois, maintained membership from 1974-85 and Rose-Hulman Institute of Technology of Terre Haute, Indiana, from 1975-89. Additionally, Illinois College of Jacksonville, Illinois, was a member from 1980-83; Earlham College of Richmond, Indiana, from 1984-89; and Fisk University of Nashville, Tennessee, from 1983-94.

But the conference began to stabilize with its membership and structure in late 1980s and early 1990s. Millsaps College of Jackson, Mississippi, and Trinity University of San Antonio, Texas, joined in 1989. Then, with the addition of Oglethorpe University of Atlanta, Georgia, in 1991, the conference restructured and renamed itself the Southern Collegiate Athletic Conference. It also hired its first full-time commissioner in Steve Argo and established a conference office in metropolitan Atlanta.

With the addition of Hendrix College in 1992, the SCAC grew to eight members. Following the departure of Fisk University in 1994, Southwestern University of Georgetown, Texas, joined the SCAC to maintain eight members. The SCAC then added its ninth and 10th members in 1998 with DePauw University of Greencastle, Indiana, and with the return of Rose-Hulman after a nine-year absence.

Recent growth has included the addition of Austin College of Sherman, Texas, and Colorado College of Colorado Springs, Colorado, in 2006. The 2007-08 academic year will bring Birmingham-Southern College on board for 12 total members.

The SCAC and its member institutions are committed to maintaining high academic standards. The member institutions are committed to the principle that a quality college athletics program is beneficial to the well-being of an institution in that it benefits the entire campus community as well as the student-athletes.

With 10 of 11 member institutions maintaining Phi Beta Kappa chapters on their campuses, the SCAC boasts some of the most prestigious colleges and universities in the nation. SCAC schools are also consistently ranked among the top colleges and universities in the nation by national publications.

The SCAC sponsors championships in 19 sports, including 10 for women and nine for men. The SCAC currently sponsors men's and women's cross country, men's and women's soccer, football, field hockey, women's volleyball, men's and women's basketball, men's and women's swimming & diving, baseball, softball, men's and women's tennis, men's and women's outdoor track & field and men's and women's golf.

All spring championships are hosted at the Spring Sports Festival, which has been held since the conference's inception during the 1962-63 academic year. The first Festival was held in 1963 at Washington & Lee University and has been continued without interruption since that year.

A bell donated by the Norfolk & Western Railway was adopted as the SCAC's President's Trophy and is maintained by the conference member that wins the annual all-sports competition, honoring the school's athletics program that totals the most points in their men's and women's program combined using a point system established by the conference. DePauw won the 2005-06 President's Trophy marking the second time the University accomplished the feat.
