Tigers Enter Season as SCAC Favorites in Tight Preseason Poll

Coming off a 19-7 season which included a late season eight-game win streak, DePauw returns 11 lettermen including two starters.

Leading the way is D3hoops.com preseason all-America guard Mike Moore who ranks third in DePauw and Southern Collegiate Athletic Conference history with 459 career assists and is just 21 points shy of 1,000 in his career.

Moore, a first team D3hoops.com all-region and all-SCAC selection last year, led the Tigers in scoring with 17.3 per contest and dished out 5.3 assists per outing.

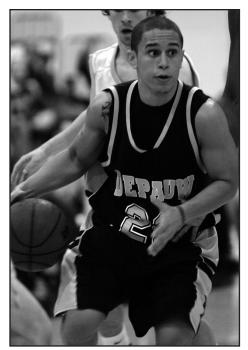

Head coach Bill Fenlon, in his 17th season with the Tigers, expects to use Moore off the ball more this season.

"He can score better from the "two" and it makes him faster," Fenlon said.

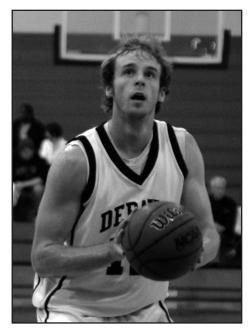

Junior Tony James enters the season healthy for the first time after battling injuries each of his first two seasons and looks to start at the point. James averaged just under 16 minutes per game last year and scored at a 4.8 clip.

Matt Bennett, who transferred from Division I Valparaiso and played in 29 games over the last two years, is expected to back up James and see time at the other guard spot. Sophomore Ross Simpson and freshman Tommy Weakley are expected to add depth with Weakley also playing the off-guard spot.

Tom Callen returns as a starter on the wing after averaging 5.0 points and 3.0 rebounds per

Senior Mike Moore has led DePauw and the Southern Collegiate Athletic Conference in assists all three years and is a preseason fourth team D3hoops.com All-America selection.

Junior Tom Callen started all 26 games last season and is the Tigers' leading returning rebounder.

game. According to Fenlon, Callen is bigger and faster this year, better with the ball and will likely also see time inside.

Other wing players include sophomores Steve Lemasters and Drew Wills as well as freshman Sean Haseley. Lemasters played in all 26 games last season and averaged 7.8 points while hitting just under 40 percent from three-point range.

The Tigers will be relatively inexperienced inside after the graduation of starters Stephen Schott and Brian Oilar. The combination averaged over 26 points and nearly 16 rebounds last season.

Sophomore Joe Bergfeld, who played 23 games in his rookie season, has looked good in the preseason and possesses a great deal of potential according to Fenlon. Junior David Gray played in every game last year and averaged 2.9 rebounds while playing just under 13 minutes per game. Gray is expected to be a key contributor this year. Sophomores Ryan Sever and Ryan Russell add depth as does junior Erik Hagen.

"We have to see if we can plug some of the holes from our graduation losses," Fenlon said. "We've been a really strong rebounding team, but that is one of my concerns this season. We're going to try to play faster which we really haven't done since Mike (Moore) was a freshman."

The Tigers open the season on November 21 against Franklin College at the Wabash Little Giant Tipoff Tournament. In addition to the rigorous SCAC schedule, the Tigers travel to Terre Haute on December 20 for a contest with Division I Indiana State.

The Lilly Physical Education and Recreation Center

The \$7.2 million Lilly Physical Education and Recreation Center was dedicated in April of 1982. The Center is named in memory of Eli Lilly, Josiah K. Lilly and Josiah K. Lilly Jr., great-grandfather, grandfather and father, respectively, of Ms. Ruth Lilly of Indianapolis, the Center's main benefactor.

Upon completion, the Lilly Center was one of the finest and most complete recreation and sports facilities among all small colleges and universities in the United States. The center includes a 25-yard by 25-meter pool with 10 lanes, six racquetball courts, complete locker room facilities, class and conference rooms.

An addition to the Center in 1990 was a hardwood floor in the fieldhouse and auxiliary gymnasium. Truly a multipurpose facility, the Center often is the site of several intercollegiate activities occurring simultaneously. In 1997 the weight room underwent an extensive renovation and addition which made it one of the finest fitness centers at any small college in the nation.

The main section of the Center is the Raymond "Gaumey" Neal Fieldhouse, named in honor of the coach of DePauw's undefeated, untied and unscored upon 1933 football team. The fieldhouse includes a 2,800-seat basketball and volleyball arena and three multipurpose courts which can accommodate volleyball, tennis, badminton, soccer and many other sports.

Nearly \$3 million of the funds for the Lilly Center were raised by the members of the 1933 football team, exclusively through donations made by the surviving members.

Since the first basketball game was played in the Neal Fieldhouse on February 13, 1982, DePauw's men's teams have compiled a 267-50 record for an .842 winning percentage in the building.

Included in that record was a 61-game home court win streak which set an NCAA Division III record at the time. The streak began on January 15, 1983, and was snapped by IUPUI on February 19, 1987, by a 73-62 score. The all-time win streak record is 62 games and is held by North Park College.

Southern Collegiate Athletic Conference

Southern Collegiate Athletic Conference

The Southern Collegiate Athletic Conference (SCAC) was founded and began operation in September 1962 as the College Athletic Conference (CAC) with four charter members of Centre College, Southwestern at Memphis (now known as Rhodes College), Sewanee: The University of the South, and Washington & Lee University of Lexington, Virginia. Later in 1962, Washington University in St. Louis, Missouri, became the fifth member.

Membership remained unchanged until 1972 when Washington University in St. Louis left. Washington & Lee University also left the conference in 1973. Principia College of Elsah, Illinois, maintained membership from 1974-85 and Rose-Hulman Institute of Technology of Terre Haute, Indiana, from 1975-89. Additionally, Illinois College of Jacksonville, Illinois, was a member from 1980-83; Earlham College of Richmond, Indiana, from 1984-89; and Fisk University of Nashville, Tennessee, from 1983-94.

But the conference began to stabilize with its membership and structure in late 1980s and early 1990s. Millsaps College of Jackson, Mississippi, and Trinity University of San Antonio, Texas, joined in 1989. Then, with the addition of Oglethorpe Uni-

versity of Atlanta, Georgia, in 1991, the conference restructured and renamed itself the Southern Collegiate Athletic Conference. It also hired its first full-time commissioner in Steve Argo and established a conference office in metropolitan Atlanta.

With the addition of Hendrix College in 1992, the SCAC grew to eight members. Following the departure of Fisk University in 1994, Southwestern University of Georgetown, Texas, joined the SCAC to maintain eight members. The SCAC then added its ninth and 10th members in 1998 with DePauw University of Greencastle, Indiana, and welcomed back Rose-Hulman after a nine-year absence.

Recent growth has included the addition of Austin College of Sherman, Texas, and Colorado College of Colorado Springs, Colo., in 2006. Birmingham-Southern College joined last year as the 12th member.

The SCAC and its member institutions are committed to maintaining high academic standards. The member institutions are committed to the principle that a quality college athletics program is beneficial to the well-being of an institution in that it benefits the entire campus community as well as the student-athletes.

With 11 of 12 member institutions maintaining Phi Beta Kappa chapters on their campuses, the SCAC boasts some of the most prestigious colleges and universities in the nation. SCAC schools are also consistently ranked among the top colleges and universities in the nation by national publications.

The SCAC sponsors championships in 19 sports, including 10 for women and nine for men. The SCAC currently sponsors men's and women's cross country, field hockey, men's and women's soccer, football, women's volleyball, men's and women's basketball, men's and women's swimming & diving, baseball, softball, men's and women's tennis, men's and women's outdoor track & field, and men's and women's golf.

Conference post-season championships are conducted in cross country, basketball, swimming & diving and volleyball. All spring championships are hosted at the Spring Sports Festival, which has been held since the conference's inception during the 1962-63 academic year. The first Festival was held in 1963 at Washington & Lee University and has been continued without interruption since that year.

A bell donated by the Norfolk & Western Railway was adopted as the SCAC's President's Trophy and is maintained by the conference member that wins the annual all-sports competition, honoring the school's athletics program that totals the most points in their men's and women's program. DePauw won the President Trophy each of the last three years and in four of 10 years overall.
